Staff Administrator
Subcommittee on Foreign Operations
and Government Information
Committee on Government Operations

SUBJECT: Additional Information Requested by the
Subcommittee

As you know, I have been away from the office but I understand, as a result of the recent appearance by Agency representatives before the Subcommittee, several additional items were requested. Accordingly, I am attaching the following:

- a. Sample polygraph report;
- b. Two additional questions with answers;
- c. Internal routing of the polygraph report;
- d. Internal procedures for guidance of polygraph examiners; and
- e. Types of questions asked by student examiners after five-week phase of training.

I trust these are fully responsive. Please let me know if anything further is needed.
